Sports Men Moulds by Holger Erricson

These were designed for the 1972 Olympics in Munich by request of our German distributor.

301 - Runner 302 - Javelin Thrower 303 - Football player

English Hunting Scene 40mm Moulds

Holger Erricson designed these 40mm English Hunting Scene moulds, originally carved out of wood, with his characteristic anatomical correctness and lightness of touch. Originally each of the fox & dogs were supplied in separate moulds, we now include all the dogs and the fox in one mould.

110 - English Hunting Scene Moulds

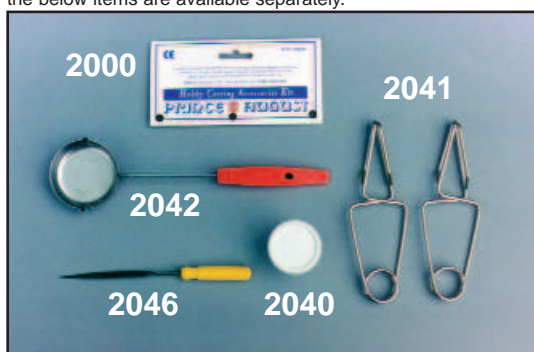

1511 - English Hunting Scene + Starter Kit.

The starter kit contains every thing you need to get started casting your own soldiers. The Kit includes:-

- (1) Casting moulds for a rider, three dogs and a fox.
- (2) Casting Ladle for melting and pouring the metal.
- (3) Casting powder to protect the mould and provide an air gap.
- (4) Two boards
- (5) Full instructions to get you started
- (6) Bar of model metal

Casting Accessories
